

# WHAT SOME OF OUR CUSTOMERS SAY!

Abate are reliable and safety conscientious. They provided good feedback throughout project and practical solution for issues that arose. Highly recommended.

Andy Hudson - QHSE Manager  
NOV HydraRig

We have used Abate pest control services for several years, and find them to be a thoroughly professional organisation, with prompt efficient responses to any problems we come across.

Chris Wright - Company Secretary/Financial Controller  
RBR (Crops) Ltd

We have been using Abate for a number of years for pest control and I have found all their staff to be on time and very conscientious. When I changed from my old pest control firm to Abate I saved a great deal of money as well as time. I would recommend Abate without reservation.

Adrian Goodwin - Facilities Safety & Maintenance Manager  
Greene King Plc

I've worked with Abate at several sites I've been responsible for around Norwich and wouldn't consider using anyone else now. Jon and his team are always friendly and helpful as well as giving me cost effective solutions for any issues that come up. Definitely a first class service!

Christine Beveridge - Head of Operations  
Open Youth Trust
