Dear John,

Further to our meeting well over a year ago in our café, I am just writing to thank you for the excellent service provided by all of your staff throughout the past year.

We have always found the service to be first class – in all aspects of what you do.

I know that you impressed upon me the professionalism of your operation when we were discussing the contract, and I am happy to say that this has been borne out by the polite and diligent way your staff complete their duties.

Best regards

Pablo Dimoglou
Director
